To Mary Lou Terrien,

Hi, my name is Celestine Schaub Jr. and I live in St. Johns, Michigan. I'm emailing you because I am to
against a National Popular Vote Compact in Michigan.
This will circumvent the natural process of congress to decide on the method of electing the President of
United States. This is going around the constitution.
Please don't allow this to happen.

Celestine Schaub Jr.
St. Johns, Michigan
